E

Subject:— Rules under the Factories Act 1948

File No. Factories II | 51 (R)

Fcn. 194 e.

323-13

Office of the R.L.A.

In place of the draft notification at pages 19 to 24 ante, a revised draft notification is sent herewith.

2. Although the Factories Act, 1934, has been repealed, the Bombay Hazardoud Occupations (Sodium and Potassium Bichromates) Rules, 1942, continue to force by virtue of the provisions of section 24 of the General Clauses Act, 1897 and section 120 of the Factories Act, 1948 until superseded. The preamble has been suitably modified to provide for the formal supersession of the old rules.

6/7/56

Office of the R.L.A.

In place of the draft notification at pages 173 to 177 ante, a revised draft notification is sent herewith.

2. The Department may consider whether these draft amendments may be consolidated with those proposed in the linked file 44/48 and published together for inviting objections. If this course is not to be adopted, in view of the numbering proposed to be given the previous and final publication of these amendments should take place after the corresponding publications of the amendments in the linked file has taken place.

Legal Department

A revised draft notification is sent herewith.

2. As the draft rule 113 as originally proposed in the notification at page 77 ante is substantially changed, it would be desirable to issue again a preliminary notification.

Office of the R.L.A.

A revised draft notification in place of the L.& H.D. draft at p. 9 is sent herewith.

2. Under the L.& H.D's draft the proposed qualifications are not be apply to women already employed in charge of creche and they can be continued in service. If any such woman loses her job after 1st January 1952 she cannot be employed in any factory in that capacity again. The revised draft now sent provides for this contingency. L.& H.D. should verify whether this is intended.

3. It is not made clear whether the 1½ years training in a hospital should be in any hospital or in a hospital which has been approved by the Chief Inspector of Factories. In the p. and S.D. Notification No. 1262/341 dated the 14th June 1938 issued under the Factories Act of 1934, a trained nurse was required to undergo a six months' trainigg course in any Maternity Home or Child Welfare Centre approved by the Chief Inspector of Factories.

4. The L.& H.D. should also consider whether a nursing home should not be approved for the purpose of taking training in addition to a hospital.
